Submission to enter  
the national stage  
under 35 USC  
§371

**DECLARATION AND POWER OF ATTORNEY**

As a below named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name.

I believe I am the original, first and sole inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled "**Method and Apparatus For Boring Through A Solid Material**" the Specification of which was filed on February 2, 1999 as PCT Application No. PCT/US99/02202 and was a Continuation-in-Part of U.S. Serial No. 09/018,244 filed on February 3, 1998.

I hereby state that I have reviewed and understand the contents of the above-identified Specification, including the Claims, as amended by any Amendment referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in 37 C.F.R. § 1.56.

I hereby claim foreign priority benefits under 35 U.S.C. § 119(a)-(d) or § 365(b) of any foreign application(s) for patent or inventor's certificate, or § 365(a) of any PCT international application which designated at least one country other than the United States, listed below and have also identified below any foreign application for patent or inventor's certificate, or PCT international application having a filing date before that of the Application on which priority is claimed:

**ASSIGNMENT**

This is an Assignment between Cutting Edge Technologies, LLC, an Indiana corporation, having a place of business in Remington, Indiana (hereinafter "Assignor"), and Woodings Industrial Corporation, a Pennsylvania corporation, having a place of business in Mars, Pennsylvania (hereinafter "Assignee").

WHEREAS, Assignor warrants that it is the owner of all right, title and interest in and to United States Patent Application No. 09/601,560 entitled "Method and Apparatus for Boring Through a Solid Material" filed August 3, 2000 (hereinafter the "'560 application"); and

WHEREAS, Assignee is desirous of acquiring the entire right, title and interest in and to the '560 application and the inventions and improvements therein disclosed.

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration paid to Assignor, receipt whereof being hereby acknowledged, Assignor does hereby assign, sell, transfer, and set over unto said Assignee the entire right, title, and interest in and to the '560 application and the inventions and improvements therein disclosed for the United States and all foreign countries and any Letters Patent which may issue therefor in the United States and all foreign countries and all divisions, reissues, continuations, renewals, and/or extensions thereof

including all priority rights under the International Convention associated therewith for each country and the Union, said assignee to have and to hold the interests herein assigned to the full ends of the

terms of said Letters Patent and any and all divisions, reissues, continuations, (includes appln. 10/133,594 and any patents that issue there from) renewals, and/or extensions thereof, respectively, as fully and entirely as the same would have been held and enjoyed by Assignor had this Assignment not been made.

The Commissioner of Patents and Trademarks is requested to issue such Letters Patent in accordance herewith. Assignor covenants that it are the lawful owner of the '560 application, inventions, and improvements, that the same are unencumbered, that no license has been granted to make, use or vend the said inventions or improvements or any of them, and that it has the full right to make this Assignment.

Assignee shall take over all prosecution of the '560 application at Assignee's sole discretion and expense, including reasonable compensation for time required by Assignor. Assignor agrees that it will communicate to said Assignee or the representatives thereof any facts known to Assignor respecting said inventions and improvements, and will, upon request, but without expense to Assignor, testify in any legal proceedings, sign all lawful papers, execute all divisional, reissue, continuation, renewal and/or extension applications, make all rightful oaths, and generally do all other and further lawful acts, deemed necessary or expedient by said Assignee or by counsel for said Assignee, to assist or enable said Assignee to obtain and enforce full benefits from

the rights and interests herein assigned. This assignment shall be binding upon our heirs, executors, administrators, and/or assigns, and shall inure to the benefit of the successors, and/or assigns, as the case may be, of said Assignee.

IN WITNESS WHEREOF, Assignor has caused its name to be signed by their duly authorized representative this 16<sup>th</sup> day of June, 2003.
